Luxury outdoor living is a world of its own, and now, Portside Luxury is getting a new destination in West Palm Beach. Portside Luxury, the renowned premium source for elegant outdoor furniture, is expanding with a 2,200-square-foot showroom at The Factory.

Founded in 2017, the New Jersey-based company quickly established a reputation for working with premier designers, architects and homeowners to create transportive destinations within homes. Inside the new showroom, explore a highly curated selection of internationally renowned brands, including DEDON, Kettal, Roda, Talenti, Ethimo and Janus et Cie, celebrated for exceptional craftsmanship and offering sophisticated, personalized solutions for outdoor living. Beyond offering a collection of furniture, Portside Luxury sets itself apart from traditional showrooms by embracing a full-service approach and working closely with designers and clients to create tailored outdoor environments. With its carefully edited collection and personalized service, Portside Luxury brings welcome refinement to outdoor spaces and is a welcome addition to Palm Beach County. *5144 Georgia Ave., West Palm Beach, portsideluxury.com*
